Dear Parents and Children

**BEFORE SCHOOL**

Please can I ask parents to ensure that their children do not play in the infant playground (the playground with the slide and tyres) before of after school. This is to ensure their safety as there is no-one supervising at that time. Thank you.

**SPORTING REPORTS**

**Netball**

Our A team and B team were in action on Thursday evening playing in the latest round of the Central Venue Leagues. Team A won 1, lost 3 very close games against some tricky competition. Team B played 4 but unfortunately lost all of them. It was their first match this term and some people had never played for the school before. They made excellent progress through the evening and were very enthusiastic, playing well as a team. Thank you to all those parents who supported the match.

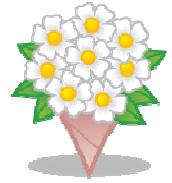

### **Football**

Our team had their last fixture of the Central venue league season. They went into the evening with an outside chance of qualifying for the end of season playoff but it was not to be. The Team won 1, drew 2 and lost 2 matches. As has been typical of the season the defeats were by the narrow margin of 1-0 but could easily have been victories with a little more composure and luck in front of goal.

Next Friday, some of our Year 2 footballers will be taking part in an inter-schools tournament at Kings Hall School. We hope they have a really enjoyable time.

### **MOTHERS' DAY SERVICE – NEXT FRIDAY 12 MARCH 10.00 AM**

Everyone is invited to our service next Friday morning in church when the children will be talking about their mums and what makes them special. There is a service in church until 9.30am, after which you are invited to go and take your seats! Tea, coffee and biscuits will be available in the school hall from 9.00 am for those who don't want to go home and come back for the service!

As our children will be involved leading the service, please could I ask that if you have pre-school children who become fidgety during the service, you take them into the church entrance until they have quietened down. This will save your embarrassment. Thank you.

### **WANTED – OLD CLEAN SOCKS!**

Class 3 would like any old clean socks from anybody as they will be using them in their sock puppet workshop next week, as many as possible please!! The more brightly coloured the better!!
